W. E. B. A Good Meeting.

EQUALITY, S. C., July 28. MR. EDITOR: A meeting of nine days including the fourth Sunday, closed to-day at Mt. Pisgah Church. Our pastor, Rev P. J. Vermillion, assisted by Rev. J. F. Sanders, conducted the meeting. The services were well attended, congregations large, considering the inclement weather. Much interest was manifested. The Church was much strengthened and enlivened by the great truths so forcibly set forth, full of instruction, from our young brethren in the ministry. Many of our Sunday School scholars were often at the anxious seat,

The Presidents of the several Democratic Clubs of the County are hereby appointed, and authorized, to appoint the Managers of the Primary Election for their Clubs, to be held on the 22nd day of August, 1890; also, if there be a second primary on 29th August, 1890, both for Congressional and County officers. A. C. LATIMER, County Chm'n.

MR. EDITOR: Please get my name out of your paper as quick as possible as a candidate for the office of Mayor, as it will bust me all to pieces in my aspirations for the office of Deacon in my Church. This is the second time some evil-designing fellow has interfered with my prospects for the Deaconship by switching me off on a side track nomination, and I don't propose to be switched off any more on side issues. I am not much of a fighting man, but there is one thing I believe I can do, as well as any other man, and that is I can pass around the hat. So let the other fellows have the fun of racing for the office of Mayor, and I will tussle around after the Deaconship among the brethren, and occasionally smile on the eisters.
